Happy Halloween, Lake Zurich!

Trick-or-Treat Hours & Tips

Lake Zurich's trick-or-treat hours are on Halloween, October 31 from 4:00 pm - 8:00 pm. These are the same hours as Hawthorn Woods and Kildeer as well. We ask that motorists be extra cautious while driving through the community during this evening.

Keep Halloween safe and fun by remembering to:

- Wear bright or reflective clothing that is clearly visible to motorists
- When purchasing costumes, masks, beards, and wigs, look for the "Flame Resistant" label
- Trick-or-treat in groups
- Always carry a flashlight and keep it on
- Stay on sidewalk and well-lit areas
- If wearing a mask, make sure it fits securely, provides adequate ventilation, and has eye holes large enough to allow full vision
- Visit only homes with porch lights on

Lake Zurich Monster Bash

Monster Bash at the Park

Lake Zurich Parks and Recreation is hosting a Monster Bash on Saturday, October 26 from 12-3 p.m. at the Paulus Park Barn. Children can come

in costume and enjoy carnival games with prizes and candy, face painting and refreshments. Pre-registration is not required for this event.

Local Residents Take Halloween to the Max

"The Kill on Old Mill" in Lake Zurich

The haunted house at 115 Old Mill Grove Road just might be the scariest place this Halloween. The yard display can be viewed throughout October and the full-blown haunt will be operating at the end of the month. [Click here for hours of operation.](#)

"The Kill on Old Mill" will once again be collecting items for local food pantries. Please bring non-perishable food products for people or pets.

Daylight Savings Time Ending Soon

Remember to "Fall Back" on November 3

Daylight Savings Time ends on Sunday, November 3 at 2:00 a.m. Don't forget to turn your clocks back one hour.

It's also a good time to check the batteries on your smoke and carbon monoxide detectors.

Paulus Park Playground Replacement

Community Input Meeting Paulus Park Playground Saturday, November 2 10:00 am at the Barn

The Paulus Park Kids Kingdom playground is slated to be replaced in the near future.

Six playground designers have agreed to provide concept plans to be shared with the community. You are invited to attend an input meeting to help choose the new community playground and will be asked to vote on your favorite. Concept plans will be on display at the Paulus Park barn at 10:00 am on November 2.

The new playground equipment is expected to be installed in spring of 2014.
